I wake up every day at about 8.30 am because my “alarm baby” wakes up at this time. Then, I change his diapers while my husband prepares our breakfast. We usually drink some fruit juice. We sometimes eat some scrambled eggs for breakfast, because my baby loves it. Then I take Augusto to school by car. After that, I come back home because on Mondays I work from home in the morning. Then I have my psychoanalyst appointment at midday. After that, I have lunch at home or in a restaurant near the school. I usually eat some healthy meal on Mondays, because on weekends we tend to overeat! After lunch I go to Mais Língua school. When I get there, I prepare my “chimarrão”, a typical hot drink we have here in the south of Brazil, and I start work at about 2.30pm. I leave work at 6.30 when my husband and I pick up our baby from school. We go back home, we have some delicious snack or dinner together and enjoy our time! We play with Guto and sometimes watch something nice on TV. At 9.30 pm I take my shower with Augusto and my husband puts him to bed after that. We go to bed a bit later, at 11pm or midnight.
